Factory Introduction

Huizhou Xunyang Electronics Co., Ltd. is a consumer electronics intelligent manufacturer integrating R&D, production and sales of mobile phone chargers and usb cables. Its predecessor was Shenzhen Xierun Electronics Co., Ltd. ,which established in 2007, after 16 years continuous development and growth, Dongguan Xunyu Electronics Co., Ltd., Huizhou Xunyang Co., Ltd. have been established successively.

Xunyang purchased land and built our own factory in 2022, with a practical area of 13,000 in Huizhou City,Xunyang also spent big money to buy the most advanced automated production equipment to meet customers' needs for stable quality, fast delivery and competitive price .At the same time,Xunyang integrated the supply chain of raw materials, established production and processing subsidiary for plastic molds, transformers and other key components, forming a closed loop link with raw material supply, R&D,designing and marketing,then further enhances product market competitiveness and brand Influence.

Xunyang always adhere to the principle of customer-centered, strict management, continuous technological improvement, and pursuit of excellence with "zero" defects. Xunyang has a complete quality system, passed ISO9001: 2008 in 2012, already reached strategic partnership with many well-known companies at home and abroad. At the same time ,the products already have UL,FCC ,CB,CE,UKCA,CCC,PSE ,ERP and RCM certificates , all the material used are comply with CA65 ,Rohs,Reach.We are committed to promoting clean production, and working with green partners to produce environmentally friendly products to protect and improve the environment. Looking to the future, insist on "continuous improvement, high quality products, dedicated service, customer satisfaction" as the purpose of the enterprise.

Welcome OEM & ODM orders and look forward to working with you .
